## Autumn Open Table Show Results

For

October 2023

There is no doubt our Autumn Show was one of the best in recent years. Because the show was so close to Halloween, the hall was decorated accordingly, but nothing spooky about the impressive display of orchids brought in by SEOS members.

Members were on hand to advise visitors on the needs of their orchids, a repotting service and a range of companion plants too, while Laurence provided an excellent range of professionally grown orchids from Laurence Hobbs Orchids (<https://laurencehobbsorchids.co.uk/>).

BBC Radio Kent interviewed SEOS Chair and Judge, during their popular Sunday Gardening programme (<https://www.bbc.co.uk/programmes/p001d7jp>).

Best in Show was won with a *Stenoglottis fimbriata*, which also won Best Species. Reserve Best in Show was a *Bulbophyllum grandiflorum*, Best Dendrobium a *Den. Sulawesii*, Best Paphiopedilum a *Paph. haynaldianum*. Best Hybrid a *Phrag. Rio Mira*, and Best Lealiinae a *Epidendrum Diffusum*. The Joan Hendley Memorial Trophy for a lovely display of orchids, one of which also won the Best Phalaenopsis trophy. Best Mounted award and Best Vandaceous won by a *Vanda Hybrid*. The Peoples Choice award being jointly won by two growers.
